

Has Gambling ever made your home life  
unhappy?

# There is Hope.

Gamblers Anonymous is here to help people who  
think they  
might have a gambling problem.

If you think you have a gambling problem, we are  
here to help. Come to a meeting and learn about  
Gamblers Anonymous. No dues, fees. Just Show  
up, you will be welcomed.

Give yourself permission to ask for help. We've  
learned that sheer willpower isn't enough to  
overcome compulsive gambling.

## **Life-Line Bulletin**

The Life-Line Bulletin is a monthly newsletter for and about members of Gamblers Anonymous. It provides our members a chance to share their experience, strength and hope with each other through the Group News section; and to also see some of the important aspects that help G.A. continue to carry the message to those who still suffer. Reading the Bulletin every month is a great way to stay connected.
