## CPR & First Aid Training Classes | American Heart Association

As the authority in resuscitation science, research and training, we publish the official *AHA Guidelines for CPR & ECC*. We translate these Guidelines into the highest quality training materials, courses and programs in CPR, first aid and advanced emergency cardiovascular care for healthcare professionals, first responders, employees and the general public.

## I need help finding the right course

Use the categories in the dropdowns below to tell us more about you, so we can help you find the correct course. If a course is required for work, always make sure to check with your employer to ensure you are selecting the correct course.
