

BeSafeRx: Your Source for Online Pharmacy Information

Considering an online pharmacy?

Have you or someone you know thought about buying prescription medicine online? FDA's BeSafeRx campaign helps consumers learn about how to safely buy prescription medicines online.

?Is Your Online Pharmacy Safe

Is your online pharmacy safe?

Explore FDA's BeSafeRx campaign resources and tools so you can make safer, more informed decisions when purchasing prescription medicine from an online pharmacy.

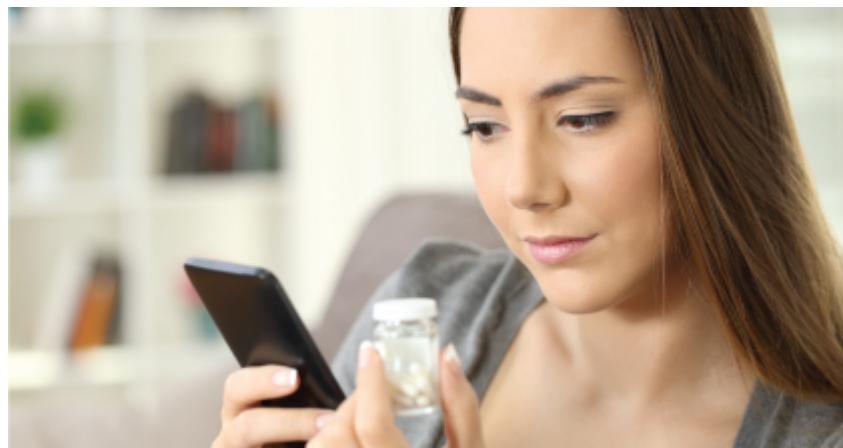

Reporting unsafe online pharmacies

FDA offers tools for reporting important information to the agency.

If you have an unexpected experience or side effect associated with the use of a medicine, please report that information to FDA using [MedWatch](https://www.accessdata.fda.gov/scripts/medwatch/) (<https://www.accessdata.fda.gov/scripts/medwatch/>).

If you encounter websites that you think are illegally selling medicine, please [report unlawful sales](https://www.accessdata.fda.gov/scripts/email/oc/buyonline/english.cfm) (<https://www.accessdata.fda.gov/scripts/email/oc/buyonline/english.cfm>).
